

## EU Type Examination Certificate CML 13ATEX3010U Issue 5

- 1 Components intended for use in Potentially Explosive Atmospheres Directive 2014/34/EU
- 2 Component **Control and Signalling Device Adapters, Type 05-0003-00\*\*/\*\*\*\***
- 3 Manufacturer **Bartec GmbH**
- 4 Address **Max-Eyth-Straße 16,  
97980 Bad Mergentheim,  
Germany**
- 5 The component is specified in the description of this certificate and the documents to which it refers.
- 6 CML B.V., Chamber of Commerce No 6738671, Koopvaardijweg 32, 4906CV Oosterhout, The Netherlands, Notified Body Number 2776, in accordance with Article 17 of Directive 2014/34/EU of the European Parliament and of the Council, dated 26 February 2014, certifies that this component has been found to comply with the Essential Health and Safety Requirements relating to the design and construction of equipment intended for use in potentially explosive atmospheres given in Annex II to the Directive.  
The examination and test results are recorded in the confidential reports listed in Section 12.
- 7 The 'U' suffix after the certificate number indicates that the component is subject to conditions of safe use (affecting correct installation or safe use). These are specified in Section 14.
- 8 This EU Type Examination certificate relates only to the design and construction of the specified equipment or component. Further requirements of Directive 2014/34/EU Article 13 apply to the manufacture of the equipment or component and are separately certified.
- 9 Compliance with the Essential Health and Safety Requirements, with the exception of those listed in the confidential report, has been demonstrated through compliance with the following documents:

EN IEC 60079-0:2018

EN IEC 60079-7:2015+A1:2018

EN 60079-31:2014

- 10 The component shall be marked with the following:

II 2 G D

Ex eb IIC Gb

Ex tb IIIC Db

**CML 13ATEX3010U  
Issue 5**

## 11 Description

The Type 05-0003-00\*\*/\*\*\*\* control and signalling device adaptors are a range of thermoplastic actuating elements. The control and signalling device adaptors are intended for installation in increased safety and dust protected electrical equipment enclosure walls and lids.

Installation information:

- Service temperature: -55°C to +70°C
- Equipment type: Group II and III, High impact
- Enclosure wall thickness: 1 mm to 6 mm
- Fixing nut thread: M30 x 1,5
- Enclosure through holes: 30.3<sup>+0.3</sup>mm

Series type reference:

### Variation 1

This variation introduces the following modifications:

- i. Modifications to description.

### Variation 2

This variation introduces the following modifications:

- i. The update of reference to the 2014/34/EU Directive.
- ii. To permit the use of an alternative material in the construction of the control and signalling device adaptors.
- iii. To update the standards.

### Variation 3

This variation introduces the following modifications:

- i. Transfer of certificate from CML UK to CML B.V. and new drawing issued.

### Variation 4

This variation introduces the following modifications:

- i. Update of EN IEC 60079-0 to the latest Edition.
- ii. Update of EN IEC 60079-7 to the latest Edition.
- iii. Update to component designation.

## 12 Certificate history and evaluation reports

Issue	Date	Associated report	Notes
1	20 Dec 2013	R58A/00	Issue of prime certificate
2	13 Jan 2014	R58A/01	The introduction of variation 1
3	25 May 2017	R1924A/00	The introduction of variation 2
4	12 Dec 2018	R12059A/00	The introduction of variation 3
5	27 Oct 2021	R14286A/00	The introduction of variation 4

Note: Drawings that describe the equipment or component are listed in the Annex.

**CML 13ATEX3010U**  
**Issue 5**

### **13 Conditions of Manufacture**

The following conditions are required of the manufacturing process for compliance with the certification.

- i. Where the product incorporates certified parts or safety critical components, the manufacturer shall ensure that any changes to those parts or components do not affect the compliance of the certified product that is the subject of this certificate.

### **14 Schedule of Limitations**

The following conditions relate to safe installation and/or use of the equipment.

- i. When the components are installed in the electrical equipment, care must be taken that the temperatures at the mounting place are within the following temperature range:  
-55°C to +70°C

# Certificate Annex

**Certificate Number** CML 13ATEX3010U  
**Equipment** Control and Signalling Device Adaptors,  
Type 05-0003-00\*\*/\*\*\*\*  
**Manufacturer** Bartec GmbH

The following documents describe the equipment or component defined in this certificate:

## Issue 1
